Wow, can you believe that it's been almost a year?

January 1, 2009 will mark the completion of my first year of being self employed. I want to thank each and every one of you for your encouragement and support of our winery.

Although our economy has been a little tough, wine sales at Inspiration Vineyards have continued to grow. Over the past 12 months, we have been very fortunate to develop new retail accounts in Illinois and to add a distributor in the state of Colorado.

With the holidays fast approaching, I encourage you to order wine now for your holiday table.

Are you a member of Facebook? If so, join the Inspiration Vineyards group to get up-to-the-minute news.

Look for another Inspired e-News newsletter later this year promoting events in Colorado in December and a local winemaker dinner in January...

As always, thank you for your continued support!
