The grapes for this wine come from a friend of ours, Brian Gallaway whose ranch is located just outside the town of Healdsburg. The Cabernet Sauvignon is grown on an eastern facing hillside vineyard along the western slope of the Dry Creek Valley, while the Merlot comes from a little protected area near Brian's house; producing a distinctive wine rich with warm berry flavors.

Tasting Notes:

Full bodied with soft, non-astringent tannins, rich with flavors of cassis and blackberry. Enjoy this wine today with food, or lay it down for several years, because this wine will only get better with age!
